The Promise of Parkville

We believe God turned our sights toward Parkville. It holds so much PROMISE!

An aerial view of the neighborhoods reveals row after row of houses. There are 350,000 people within a 5 mile radius of the new campus location right in the middle of Parkville.

It is the most densely populated zip code in the state of Maryland. Parkville is filled with people!

It's a young, diverse, great community that wants to grow stronger and better, and we

believe the Lord wants to use us to "give it a shove" in the direction of Godly flourishing.

Community leaders have

enthusiastically welcomed us, and partnerships have already formed with local agencies, schools, and government.

An incredible property right on Harford Road became available, the old Colony Theater which later became the VFW. Then through a generous gift, God provided the funds to purchase it. Through Parkville Promise and by God's grace, this building, instead of showing movies and hosting bull roast dinners, will be home base for a vibrant Jesus-shaped community where the greatest story ever will be told! What promise!

There are over 51,000 people in poverty within 5 miles of Parkville. It's the perfect location for The EPICENTER to have a huge impact on physical, emotional, and spiritual needs of kids, parents, families and the entire community.

The need is great...

People are receptive...

The spiritual climate is open...

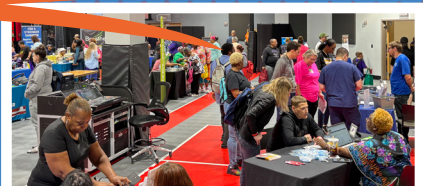

And God has provided a space...

Parkville holds so much promise!

The Parkville Campus will be a powerful expression of Mountain's mission to help people meet, know, and follow Jesus. Within a short drive of this site live **hundreds of thousands of people**, the vast majority of whom have no church home.

With more than 400 Mountain people already nearby, we envision the Parkville Campus quickly becoming a vibrant hub of worship, connection, and spiritual renewal.

Beyond weekend gatherings, this location will be a launchpad for transformational ministries like **The EPICENTER** and a **local food pantry**. Our current EPICENTER locations serve around 17,000 neighbors annually.

This includes:

- 300+ children in summer camp.
- 650 families strengthened through family outreach initiatives & meal support.
- 5,000 neighbors receiving advocacy through case management.
- 1500 ex-offenders have regained employment through second chance job fairs
- Hundreds more are served through our homeless shower program, recovery groups, Project Connect, health care events and more.

The EPICENTER is a proven ministry that meets real needs, and it will do the same in the Parkville community—feeding the hungry, supporting kids and families, and helping people rebuild their lives.

This multi-faceted ministry in Parkville will demonstrate the Gospel in action! The building is a Kingdom outpost that will bring God's blessing to thousands, spark a new movement of faith in Baltimore County, and remind all of us what can happen when the people of God say "Yes" to His call.

What will it look like?

The Parkville Campus will beautifully blend history and vision. The recognizable facade that has been a landmark in the community for generations will be preserved and updated. New construction will also expand the building's footprint. The result will be a seamless connection between old and new that maximizes every interior square foot for impact while presenting a modern, inviting exterior.

Inside, the space will be dynamic and purpose-built for ministry. Families will find creative, safe, and engaging environments for kids to experience the love of Jesus in age-appropriate ways. The campus will include areas designed for compassion and outreach, including spaces for food distribution, showers for those in need, and a community pantry.

A flexible gym and worship area will host everything from youth programs to community

events and also hold 600 seats for people to encounter God in powerful worship each week. The expansive lobby will be a welcoming hub filled with conversation, connection, and the sense that everyone belongs. Every detail of this design reflects our desire to create a place where the Gospel is lived out daily, where the community is served genuinely, and where lives are made new through Jesus.

OUR PROMISE

We must always be obedient to do what God gives US to do. Then God will do what only GOD can do!

Abraham went up a mountain thinking he would offer his own son to the Lord. He trusted God in faith and surrendered to God. And the Lord provided a ram so his son could be spared. Like Abraham, through Parkville Promise God is calling each of us to trust His faithfulness to provide—and He will!

This is what biblical generosity looks like. The Mountain people will be the means by which God provides for Parkville. We must be obedient to what God calls US to do. Then God will do what only HE can do!

\$3 MILLION IN 10 MONTHS TO REACH 10,000!

We have a \$5M construction loan. In order to complete the building, launch the campus and EPICENTER, and provide for related essential Mountain ministries, the need is \$3 Million.

“And everyone who was willing and whose heart was moved came and brought an offering to the Lord for the work...” – EXODUS 35:21

Let the promise of what God wants to do in Parkville move your heart!

Like Abraham, be faithful and surrendered, trusting God to provide!

Together we can do this!
